# Daily Agenda
And important information

Welcome to the first ever 3-day DS+AI Hackathon hosted by the Data Science Institute and AI Center of Excellence at University of Delaware! Here is some helpful information as well as the event agenda. If you have any questions, please contact Sam Smith or Lynette Carney through the Hackathon Slack channel!

Event Parking:

There is designated parking in the lot directly in front of the Ammon Pinizzotto Biopharmaceutical (AP Bio) building. You do not need a pass to park in the designated area from July 17th-July 19th.

Enter the STAR Campus South Entrance by turning at the intersection of South College Ave and Discovery Boulevard (across from the UD Field House). Take the second right onto Avenue 1743 (at AP Bio building) and then make the next right into the parking area.

Registration: On Monday July 17th, be sure to stop by the registration table in the atrium of AP Bio to sign in and receive your badge. Registration will be open at 8:30AM. Once you are signed in, feel free to grab some breakfast and take a seat in room 140 (behind the registration table) for the introductions.

Wi-Fi: For UD personnel – please use eduroam.

For our visitors, please follow these steps to set up your devices to the UD network:

1. You will use UDel_Guest wifi network which you must register for
2. Open Wi-Fi setting and connect to UDel_Guest, and you will be taken to the registration page
3. It will ask you to provide a phone number or email address to be sent an access code to receive your login information and registration receipt.
4. Need further instructions? Visit this webpage https://services.udel.edu/TDClient/32/Portal/KB/ArticleDet?ID=199
